

## **Public Notice: Destruction of Records for Students with Disabilities**

Rockdale County Public Schools, Department of Learning Support, announces its intention to destroy records that were developed to provide a Free Appropriate Public Education (FAPE) in Rockdale County Public Schools for Students with Disabilities. This notice is in compliance with the federal, state, and local policy. Records will be destroyed on Friday, August 5, 2016 based on the following criteria:

Students who became twenty-two (22) years old prior to January 1, 1994.

These records will be destroyed as they are no longer needed for educational planning purposes. The parent, legal guardian, or student (18 years old or older) may request records prior to destruction by contacting the Learning Support records office at 770-860-4231. You will be required to provide photo identification or provide verification data to acquire these records.
