

Conyers Middle School Clubs
(2022-2023)

Club Name	Description
Anime Club	The purpose of the anime club is to allow students to have a room where they can express their interest in animated tv shows and movies, while also using skills learned in their LANGUAGE ARTS and SOCIAL STUDIES classes. The club will be student led, this way they will be able to freely discuss movies, tv shows, and cosplay. While the club is student centered, there will be guidance to help give structure and ensure that everyone is being respected. Primarily, the club serves as an outlet for students to be able to express themselves and their interests
Art Club	<p>The purpose of the CMS Art Club is to allow for continued development artistic skills of dedicated students in the discipline of visual arts, and prepare students for advanced opportunities in high school and beyond.</p> <p>The goals of the CMS Art Club are aligned with the National Junior Art Honor Society. Art club members will have opportunities to exhibit artwork, submit artwork for contests, and be recognized for their accomplishments in visual arts. Additionally, students will create a portfolio of work during the school year which can be submitted for middle school Honors Art in the spring.</p>
Chess Club	Play chess? Want to learn? Whether you are a master or just learning the moves, check out Chess Club. The goal is to learn and to have fun. Play pick-up games at our weekly meetings. Individual or simultaneous. Untimed or speed. Maybe a bit of Chinese chess, shogi, or bug house, too. Compete in tournaments. We've got boards, pieces and clocks. Or bring your own. It's your move!
CMS Coders	CMS Coders learn to apply computational thinking to solve problems. Students in this club take their interest in technology, and turn it into a productive skill. Students explore coding using programming language platforms which allow them make a series of video games and animation projects, ultimately helping them to learn the core concepts of coding and computer science.
BETA	Once you become a member, you will be given the opportunity to attend meetings, participate in fund raising and service projects, and possibly attend the convention. All cannot attend the convention; remember we take the members with the highest service points. Points are accumulated on an individual and group basis.
Principal's Panel <i>(Student Council)</i>	The CMS Principal's Panel provides leadership opportunities for interested students. Principal's Panel members represent middle school students and promote the core values represented here at CMS. Members respond to student issues and create student activities that promote enthusiasm and school spirit, building a community where each member and their constituents are valued and respected. Principal's Panel members work with students, faculty, staff, parents, and administrators to make things happen in a timely manner.

National Junior Honor Society	<p>The National Junior Honor Society is an organization for middle school students that recognizes and encourages scholarship, service, leadership, character, and citizenship. The Conyers Middle School Chapter chooses service projects at the beginning of each year. The members plan and carry out activities related to these projects throughout the school year.</p>
Rockdale County Sheriff's Office Explorers Club	<p>The Rockdale County Sheriff's Office Explorer Program is set up as an introduction to various phases of law enforcement. It is sponsored by the Rockdale County Sheriff's Office and chartered annually through the Explorer/ Learning Division of the Boy Scouts of America. The Rockdale County Sheriff's Office Explorer Program is a non-profit organization. In order to be eligible you must be between the ages of 14-20 years of age, and have an interest in Law Enforcement. Explorers participate in Community Service</p>
Spanish Club	<p>The main objective of the club is to provide the opportunity for members 6th through 8th to speak Spanish and to increase their knowledge and awareness of the Spanish-speaking world. The Spanish Club allows its members to learn more about the Hispanic culture and Spanish language, get students involved in Spanish activities, and have fun. The diversity of the club events is to be both fun and educational while encouraging its members to not only learn the Spanish language but also the Hispanic culture.</p>
Video and Audio Production Crew	<p>Grade 6-8 grade students have the opportunity to work with staff to produce a morning news program. Students can become broadcasters or work behind the scenes with sound mixers, video boards and cameras. We also help students who are interested in the multimedia field, learn more about the dynamics of media: writing, producing, editing and directing in studio broadcasting.</p>
Yearbook	<p>Yearbook Club is a fun club for 8th grade students who like photography, working on the computer, and layout design. Yearbook members have an important job for the school in publishing and selling a product that they are responsible for creating.</p>
Ladies of Distinction	<p>This club will serve girls in 6-8</p> <ul style="list-style-type: none"> • Objective: To assist adolescents in the foundational skills needed for them to develop and grow into successful young ladies. Rationale: In order to develop strong social skills, a solid foundation in good manners and proper etiquette is key. It is important for students to learn how to get along positively with other as well as show respect when they interact.

Men Of Distinction	<p>This club will serve boys in 6-8</p> <ul style="list-style-type: none"> • Objective: To assist adolescents in the foundational skills needed for them to develop and grow into successful young men. <p>Rationale: In order to develop strong social skills, a solid foundation in good manners and proper etiquette is key. It is important for students to learn how to get along positively with other as well as show respect when they interact. www.gamodei.com</p>
Reading Bowl Club	<p>The Principal’s Book Club was created to encourage and foster a love of reading for pleasure in our students. Students are asked to read a book and complete a reading response form. All students who complete and submit a reading response form are invited to attend the Principal's Book of the Month Luncheon. During the luncheon students will eat lunch with our Principal and discuss their books. The Principal's Book of the Month luncheon occurs the last Friday of each month and the forms, which can be picked up in the media center, are due the Wednesday before.</p>
Robotics Club	<p>CMS Robotics Club is a gathering of students who are interested in learning about and working with robots. In this club, students learn how to apply the basics of science, technology, engineering, and math. Students learn how to design and build robots. They also work on writing the code to program the robots to perform specific functions. Robotics Club members also participate robotics competitions where they must design and build a robot that can compete against opponents in a series of specific challenges.</p>
Yearbook Club	<p>Yearbook Club gives students experience in print media publishing. This club provides students with experience in photography, computer design and writing creatively for the purpose creating a yearbook that captures the memories of our school year.</p>
